

Introducing Comfortmaker[®] Air Conditioning & Heating and XOi

YOUR ALL-IN-ONE COMMUNICATION TOOL

Comfortmaker[®] Air Conditioning & Heating is excited to collaborate with XOi Technologies, the leader in field service technology for contractors. XOi seamlessly connects field service technicians, home offices, and their customers through a simple cloud-based app. Combined with Comfortmaker[®] Air Conditioning & Heating Technical Support, this integrated tool provides access to an extensive knowledge base of relevant equipment documentation and training content, real-time live video support, and official workflows. XOi simplifies technicians' work while validating consistent quality and transforming the customer experience.

HOW DOES XOI HELP?

TECHNICIANS

- Complete work faster.
- CYA with jobsite photos and videos.
- Hone skills with on the job training and support.

MANAGERS

- Remotely view work quality.
- Verify job completion.
- Keep tabs on past and present jobs.

CUSTOMERS

- Better communicate with technicians.
- Understand the work that needs to be done.
- Trust the work was completed.

USE YOUR MARKETING CO-OP FUNDS TO COVER THE COST OF THIS INNOVATIVE TECHNOLOGY SOLUTION.
